

MAINTENANCE CAT

FORMULATED FOR MODERATELY ACTIVE ADULT CATS

MADE TO MAKE A DIFFERENCE®

Diamond pet foods are made with ingredients of exceptional quality and formulated to help your pet stay active and feel great.

Every Diamond pet food formula contains carefully determined levels of protein, fat and other essential nutrients to support ideal body condition. Along with antioxidants for stronger immunity and guaranteed levels of probiotics to support digestion, Diamond pet foods provide all the nutrients your pet needs, day after day.

We believe every pet deserves the best nutrition. Through extensive research, proprietary technology and rigorous production standards, we work to ensure that when you buy Diamond, you can be confident your pet is getting safe, affordable nutrition of exceptional quality.

MAINTENANCE CAT

Diamond Maintenance Cat Formula is specifically designed to meet the everyday needs of your cat. Highly digestible protein sources provide the building blocks needed to support ideal body condition. Omega-6 and omega-3 fatty acids help keep the skin and coat healthy and shiny. Added antioxidants, along with essential vitamins and minerals, further support overall health and wellness.

Guaranteed Probiotics

Formulated with Viables® Probiotics, beneficial bacteria that support digestive and immune systems and help your cat maintain an active lifestyle. 80 million colony-forming units (CFU) per pound are guaranteed.

Antioxidants

Powerful antioxidants such as selenium and vitamin E help to support the immune system and a healthy lifestyle.

Omega Fatty Acids

Chicken fat, flaxseed and fish meal provide the omega fatty acids that are essential for healthy skin, a shiny coat and overall well-being.

Essential Vitamins & Minerals

Essential vitamins and minerals are necessary for the health and well-being of your pet. A precise blend of these nutrients is included in every formula.

Ingredients

Chicken by-product meal, whole grain ground corn, wheat flour, chicken fat (preserved with mixed tocopherols), corn gluten meal, ground white rice, dried beet pulp, natural chicken flavor, flaxseed, fish meal, sodium bisulfate, potassium chloride, choline chloride, DL-methionine, taurine, dried Lactobacillus plantarum fermentation product, dried Bacillus subtilis fermentation product, dried Lactobacillus acidophilus fermentation product, dried Enterococcus faecium fermentation product, dried Bifidobacterium animalis fermentation product, zinc proteinate, vitamin E supplement, niacin, manganese proteinate, copper proteinate, zinc sulfate, manganese sulfate, copper sulfate, thiamine mononitrate, vitamin A supplement, biotin, potassium iodide, calcium pantothenate, riboflavin, pyridoxine hydrochloride (vitamin B6), vitamin B12 supplement, manganese oxide, sodium selenite, vitamin D supplement, folic acid.

Feeding Guide

Weight (lbs.)	Standard Measuring Cups/Day
3	1/3
5	1/2
10	2/3
15	1
20	1 1/4

Remember to keep plenty of fresh water available to your pet at all times. Store product in a dry, cool place.

Changing to Diamond Maintenance Cat

Changing your pet's diet should be a gradual process. Start by adding a small amount of your pet's new food to their current food. Gradually increase the new food amount and decrease the current food amount at each feeding. Continue this method for approximately one week. For sensitive cats, extend the period to 10 to 14 days.

AAFCO Statement

Diamond® Maintenance Cat Formula is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profiles for maintenance.

FAMILY-OWNED
Since 1970

Diamond Pet Foods was born in 1970 as the result of one family's commitment to the idea that every pet deserves the very best.
